

Exhibit D: Pricing Proposal

Pricing information for the desired Bid Items of this RFP are referenced below.

Respondents are asked to identify which services they are proposing in Exhibit B, and to provide pricing information as specified below for each item separately. Vendors are encouraged to promote the pricing structure that most fits their business model for each of the items that they are responding. Respondents may use as many pages as necessary to convey their pricing models.

Depending on the type of service or product being offered, pricing may be hourly rate-card for employee time, flat-fee, catalog percentage discount (also known as list-less), or any method that the Respondent prefers to propose.
