TAB F PROPOSAL PRICING RFP FOR DBITS, RFP # 2023-069

Modified Logic Inc.

Cost Proposal & Fee Schedule

Tab F PROPOSAL PRICING. Respondents should furnish a proposal that specifies a pricing model(s) that will apply to all orders placed under this contract. The pricing models(s) can be based on quantity or a flat percentage discount across the board. Please provide a current suggested list pricing (rate card) for the products and services that you intend to provide in your proposal.

*** Please note: Modified Logic is providing a 4% catalog percentage discount (also known as list-less) off our complete product and services offering to include all Laserfiche software licensing, associated annual maintenance and support, and professional service hours needed for implementation and training. Complete catalog pricing for all Laserfiche products is available and can be provided upon request.
