Any such Purchase Order is hereby incorporated by reference and made a part of this Agreement and shall be subject to the terms and conditions in this Agreement. In the event of a conflict between any term or provision in this Agreement and any term or provision in a Purchase Order, the term or provision in this Agreement shall control unless the conflicting term or provision in this Agreement is referenced, and expressly stated not to apply, in such Purchase Order.

2.2 All Services rendered under this Agreement will be performed by the Contractor: i) with due care; ii) in accordance with generally prevailing industry standards; iii) in accordance with Participating Entities’ standard operating procedures and applicable policies, as may be amended from time to time; and iv) in compliance with all applicable

laws, government regulatory requirements, and any other written instructions, specifications, guidelines, or requirements provided by NCTCOG and/or Participating Entities.

- 2.3 Any agreed-upon changes to a Purchase Order shall be set forth in a subsequent Purchase Order amendment. Contractor will not implement any changes, or any new Services until a Purchase Order has been duly executed by Participating Entity. Participating Entity shall not be liable for any amounts not included in a Purchase Order in the absence of a fully executed amendment of Purchase Order.

This Agreement will automatically be renewed, unless NCTCOG explicitly desires otherwise, for up to four (4) additional one (1) year terms through **January 30, 2029**.
- 3.2 **Termination.** NCTCOG and/or Participating Entities may terminate this Agreement and/or any Purchase Order to which it is a signatory at any time, with or without cause, upon thirty (30) days' prior written notice to Contractor. Upon its receipt of notice of termination of this Agreement or Purchase Order, Contractor shall follow any instructions of NCTCOG respecting work stoppage. Contractor shall cooperate with NCTCOG and/or Participating Entities to provide for an orderly conclusion of the Services. Contractor shall use its best efforts to minimize the amount of any non-cancelable obligations and shall assign any contracts related thereto to NCTCOG or Participating Entity at its request. If NCTCOG or Participating Entity elects to continue any activities underlying a terminated Purchase Order after termination, Contractor shall cooperate with NCTCOG or Participating Entity to provide for an orderly transfer of Contractor's responsibilities with respect to such Purchase Order to NCTCOG or Participating Entity. Upon the effective date of any such termination, the Contractor shall submit a final invoice for payment in

accordance with Article IV, and NCTCOG or Participating Entity shall pay such amounts as are due to Contractor through the effective date of termination. NCTCOG or Participating Entity shall only be liable for payment of services rendered before the effective date of termination. If Agreement is terminated, certain reporting requirements identified in this Agreement shall survive termination of this Agreement.

ARTICLE V SERVICE FEE

- 5.1 **Explanation.** NCTCOG will make this Master Service Agreement available to other governmental entities, Participating Entities, and non-profit agencies in Texas and the rest of the United States through its TXShare cooperative purchasing program. The Contractor is able to market the Services under this Agreement to any Participating Entity with emphasis that competitive solicitation is not required when the Participating Entity purchases off of a cooperative purchasing program such as TXShare. However, each Participating Entity will make the decision that it feels is in compliance with its own purchasing requirements. The Contractor realizes substantial efficiencies through their ability to offer pricing through the TXShare Cooperative and that will increase the sales opportunities as well as reduce the need to repeatedly respond to Participating Entities' Requests for Proposals. From these efficiencies, Contractor will pay an administrative fee to TXShare calculated as a percentage of sales processed through the TXShare Master Services Agreement. This administrative fee is not an added cost to TXShare

participants. This administrative fee covers the costs of solicitation of the contract, marketing and facilitation, as well as offsets expenses incurred by TXShare.

5.2 **Administrative Fee.** NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to NCTCOG on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 2% on sales.

5.3 **Setup and Implementation.** NCTCOG will provide instruction and guidance as needed to the Contractor to assist in maximizing mutual benefits from marketing these Services through the TXShare purchasing program.

ARTICLE VI RELATIONSHIP BETWEEN THE PARTIES

6.1 **Contractual Relationship.** It is understood and agreed that the relationship described in this Agreement between the Parties is contractual in nature and is not to be construed to create a partnership or joint venture or agency relationship between the parties. Neither party shall have the right to act on behalf of the other except as expressly set forth in this Agreement. Contractor will be solely responsible for and will pay all taxes related to the receipt of payments hereunder and shall give reasonable proof and supporting documents, if reasonably requested, to verify the payment of such taxes. No Contractor personnel shall obtain the status of or otherwise be considered an employee of NCTCOG or Participating Entity by virtue of their activities under this Agreement.

ARTICLE VII REPRESENTATION AND WARRANTIES

7.1 **Representations and Warranties.** Contractor represents and warrants that:

- 7.1.1 As of the Effective Date of this Agreement, it is not a party to any oral or written contract or understanding with any third party that is inconsistent with this Agreement and/or would affect the Contractor's performance under this Agreement; or that will in any way limit or conflict with its ability to fulfill the terms of this Agreement. The Contractor further represents that it will not enter into any such agreement during the Term of this Agreement;
- 7.1.2 NCTCOG is prohibited from making any award or permitting any award at any tier to any party which is debarred or suspended or otherwise excluded from, or ineligible for, participation in federal assistance programs under Executive Order 12549, Debarment and Suspension. - 7.1.3 Contractor shall notify NCTCOG if Contractor or any of the Contractor's sub-contractors becomes debarred or suspended during the performance of this Agreement. Debarment or suspension of the Contractor or any of Contractor's sub-contractors may result in immediate termination of this Agreement.
- 7.1.4 Contractor and its employees and sub-contractors have all necessary qualifications, licenses, permits, and/or registrations to perform the Services in accordance with the terms and conditions of this Agreement, and at all times during the Term, all such qualifications, licenses, permits, and/or registrations shall be current and in good standing.

Notwithstanding anything in this Agreement to the contrary, Contractor shall have no obligation of confidentiality with respect to information that (i) is or becomes part of the public domain through no act or omission of Contractor; (ii) was in Contractor’s lawful possession prior to the disclosure and had not been obtained by Contractor either directly or indirectly from the NCTCOG or Participating Entity; (iii) is lawfully disclosed to Contractor by a third party without restriction on disclosure; (iv) is independently developed by Contractor without use of or reference to the NCTCOG’s Participating Entity’s Confidential Information; or (v) is required to be disclosed by law or judicial, arbitral or governmental order or process, provided Contractor gives the NCTCOG or Participating Entity prompt written notice of such requirement to permit the NCTCOG or Participating Entity to seek a protective order or other appropriate relief. Subject to the foregoing exception, if at any time demand be made by NCTCOG or Participating Entity for any documentation related to this Agreement and/or applicable Purchase Orders for the NCTCOG and/or any Participating Entity, whether after termination of this Agreement or otherwise, the same shall be turned over to NCTCOG without delay, and in no event later than thirty (30) days after such demand is made. Contractor shall have the right to retain copies of documentation, and other items for its archives. If for any reason the foregoing Agreement regarding the ownership of documentation is determined to be unenforceable, either in whole or in part, the Contractor hereby assigns and agrees to assign to NCTCOG all rights, title, and interest that the Contractor may have or at any time acquire in said documentation and other materials, provided that the Contractor has been paid the aforesaid.

Statement of Work

EXHIBIT A

Description of Desired Product Categories for Proposed Pricing

Respondents should furnish a proposal that specifies pricing for the products and services they propose. Responses to this Exhibit should be addressed in Tab F.

Responses are encouraged from vendors who can only provide a handful of products and services. Respondents are not expected to be able to provide the entirety of the desired services, though are welcome to if they are able!

NCTCOG prefers vendors that provide a sole source of responsibility for the products and services provided under a resulting contract. If Proposer requires the use of dealers, resellers, or subcontractors to provide the products or services, the Proposal should address how the products or services will be provided to Members and describe the network of dealers, resellers, and/or subcontractors that will be available to serve TXShare Members under a resulting contract.

NCTCOG desires the broadest possible selection of products and services being proposed over the largest possible geographic area and to the largest possible cross-section of TXShare current and potential members.

Respondents should furnish a price proposal that specifies pricing for the various services they propose to offer. This may be proposed in the manner most preferred by the Respondent (i.g. flat-fee, per license, catalog percentage-discount, per client, hourly, per user, etc.). This pricing shall be available for the same rate at any location in the United States unless designated otherwise in your proposed pricing.

The actual cost to each member agency may be negotiated further below the proposed rate between the awarded Contractor and the member agency based on the size and scope of the specific services needed to successfully complete the work using the rates provided in Tab F, at the Contractor's discretion.

Respondents are encouraged to use as many pages as necessary.

In accordance with the RFP, we've submitted a rate card below; we'd be happy to draft model engagements and estimated costs based on NCTCOG's specific needs.

Our team will work with NCTCOG to draft statements of work (SOWs) for all activities. These will include timelines, anticipated costs, deliverable expectations, and expectations of stakeholders. We'll proactively monitor costs and work with NCTCOG to ensure risks are mitigated and reported and that, to the best extent possible, budgets for each SOW are followed as planned. If work will exceed the anticipated cost, we'll work closely with NCTCOG to modify scope, as needed, to account for changes.

The following rate cards are all-inclusive and presented on an hourly basis, with itemized hourly rates by level of experience for all applicable personnel. Pricing shown below is for all services associated with each Product Category listed. Note that rates could increase each year based on inflation and market conditions. They will not exceed three percent in a given year.

Weaver's pricing for this engagement will be based on our discounted hourly rates. Weaver will discuss pricing and hour estimates for each project during the duration of the engagement.

Addressing Scope Changes

There should never be surprises when it comes to costs.

While exact hours are sometimes difficult to estimate in advisory engagements with multiple moving pieces, Weaver will always keep you fully up-to-date on costs incurred and how we are tracking against the pre-approved numbers. Keeping fees transparent and reasonable is just one way we demonstrate a commitment to our clients. If you are ever unsatisfied with your fee, please don't hesitate to let us know; we want our relationship with you to be long-term and mutually beneficial.

Out-of-Pocket Expenses and Administrative Costs

The rates quoted are all-inclusive; we do not charge for out-of-pocket expenses such as printing, report production and similar administrative costs. Routine meetings and accounting advice in the ordinary course of business are also considered part of our role as your professional services provider and are not charged as a separate fee.

Questions and Communications

We encourage you to contact us with routine questions throughout the engagement, and throughout the year; we will not bill you for general inquiries nor for the time to learn the nuances of your operations. We see all of this as an investment in building a long-term relationship with you.

For questions that require substantial research, or if it should become necessary to change the existing scope — either to supplement the services requested or to perform additional work as a result of the specific recommendations — we will discuss project details with you and agree upon a pricing structure before beginning work. Typically, additional work is negotiated based upon the timing of the services needed and skill level required.
