Contractor shall cooperate with NCTCOG and/or Participating Entities to provide for an orderly conclusion of the Services. Contractor shall use its best efforts to minimize the amount of any non-cancelable obligations and shall assign any contracts related thereto to NCTCOG or Participating Entity at its request. If NCTCOG or Participating Entity elects to continue any activities underlying a terminated Purchase Order after termination, Contractor shall cooperate with NCTCOG or Participating Entity to provide for an orderly transfer of Contractor's responsibilities with respect to such Purchase Order to NCTCOG or Participating Entity. Upon the effective date of any such termination, the Contractor shall submit a final invoice for payment in accordance with Article IV, and NCTCOG or Participating Entity shall pay such amounts as are due to Contractor through the effective date of termination. ARTICLE V SERVICE FEE

- 5.1 **Explanation.** NCTCOG will make this Master Service Agreement available to other governmental entities, Participating Entities, and non-profit agencies in Texas and the rest of the United States through its TXShare cooperative purchasing program. The Contractor is able to market the Services under this Agreement to any Participating Entity with emphasis that competitive solicitation is not required when the Participating Entity purchases off of a cooperative purchasing program such as TXShare. However, each Participating Entity will make the decision that it feels is in compliance with its own purchasing requirements. The Contractor realizes substantial efficiencies through their ability to offer pricing through the TXShare Cooperative and that will increase the sales opportunities as well as reduce the need to repeatedly respond to Participating Entities' Requests for Proposals. From these efficiencies, Contractor will pay an administrative fee to TXShare calculated as a percentage of sales processed through the TXShare Master Services Agreement. This administrative fee is not an added cost to TXShare participants. This administrative fee covers the costs of solicitation of the contract, marketing and facilitation, as well as offsets expenses incurred by TXShare.

5.2 **Administrative Fee.** NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to NCTCOG on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 2% on sales.

5.3 **Setup and Implementation.** NCTCOG will provide instruction and guidance as needed to the Contractor to assist in maximizing mutual benefits from marketing these Services through the TXShare purchasing program.

ARTICLE VI RELATIONSHIP BETWEEN THE PARTIES

6.1 **Contractual Relationship.** It is understood and agreed that the relationship described in this Agreement between the Parties is contractual in nature and is not to be construed to create a partnership or joint venture or agency relationship between the parties. Neither party shall have the right to act on behalf of the other except as expressly set forth in this Agreement. Contractor will be solely responsible for and will pay all taxes related to the receipt of payments hereunder and shall give reasonable proof and supporting documents, if reasonably requested, to verify the payment of such taxes. No Contractor personnel shall obtain the status of or otherwise be considered an employee of NCTCOG or Participating Entity by virtue of their activities under this Agreement.

ARTICLE VII REPRESENTATION AND WARRANTIES

7.1 **Representations and Warranties.** Contractor represents and warrants that:

- 7.1.1 As of the Effective Date of this Agreement, it is not a party to any oral or written contract or understanding with any third party that is inconsistent with this Agreement and/or would affect the Contractor's performance under this Agreement; or that will in any way limit or conflict with its ability to fulfill the terms of this Agreement. The Contractor further represents that it will not enter into any such agreement during the Term of this Agreement;

Contractor shall have the right to retain copies of documentation, and other items for its archives. If for any reason the foregoing Agreement regarding the ownership of documentation is determined to be unenforceable, either in whole or in part, the Contractor hereby assigns and agrees to assign to NCTCOG all rights, title, and interest that the Contractor may have or at any time acquire in said documentation and other materials, provided that the Contractor has been paid the aforesaid.

Statement of Work

Tab D - B. Proposed Scope of Services

b. Provide a detailed description of proposed services.

Service Category #1: Executive Search & Recruitment Services

Key Stakeholder Involvement

The Hiring Authority on behalf of the Agency must be intimately involved in the recruitment and selection process. Our approach assumes their direct participation in key phases. At the discretion of the Hiring Authority, other key stakeholders may also be invited to provide input for the development of the candidate profile.

The Agency's Needs

A critical first step in a successful search is for the Hiring Authority to define the professional and personal qualities required of the Incumbent. CPS HR has developed a very effective process that will permit the Hiring Authority to clarify the preferred future direction for the Agency; the specific challenges the Agency is likely to face in achieving this future direction; the working style and organizational climate the Hiring Authority wishes to establish with the Incumbent; and ultimately, the professional and personal qualities required of the Incumbent.

Commitment to Communication

Throughout the recruitment and selection process, we are strongly committed to keeping you fully informed of our progress. We will collaborate with you to provide updates on the status of the recruitment via your preferred method of communication (phone conference, email, etc.).

We place the highest level of importance on customer service and responding in a timely manner to all client and candidate inquiries. Our previous clients and candidates have expressed a sincere appreciation for our level of service and responsiveness to the management of the recruitment process. As a result, we have many long-term relationships with clients that have led to opportunities to assist them with multiple recruitments.

Aggressive, Proactive, and Robust Recruitment

We take an aggressive approach in identifying and recruiting the best available candidates. There are those candidates who would gladly rise to the professional challenge and apply for positions within your organization; however, some of the best candidates are often not actively seeking a new position and may only consider a change once we present them with your opportunity.

Evoking the sense of vision and opportunity in qualified persons is among the responsibilities of CPS HR, and we pride ourselves in our efforts to reach the best available potential candidates. We directly email the outreach brochure, post messages, and connect with potential candidates on business media such as LinkedIn, and of course, pick up the phone and call qualified individuals and referral sources.

Diversity Outreach Process

CPS HR strives to attract the most highly qualified, diverse candidate pool possible. We are pleased that our diligent efforts have resulted in **more than 57%** of our executive level placements being people of color and/or female candidates within the past three years.

We accomplished this by advertising with organizations like the National Forum for Black Public Administrators and the Local Government Hispanic Network in order to reach these specific population groups. We also seek candidate referrals from local subject matter experts and the national leadership of groups like Women Leading Government. By taking the time to directly contact these influential industry experts, we ensure that we capture the maximum number of distinguished candidates – particularly those who are well-known in their industries, but who may not be actively looking for a new job.

The result is incredibly diverse candidate pools. Our clients have been quite pleased with our process and end results.

Scope of Work

Our proposed process is designed to provide the Agency with the full range of services required to ensure the ultimate selection of a new hire uniquely suited to the Agency's needs. We offer three levels of service:

- Full Recruitment – All Phases I-III
- Partial Recruitment – Phases I and II
- Outreach Only Services

The phases are described below.

PHASE I – Strategic Recruitment Plan

The first step in this engagement is a thorough review of the Agency's needs, culture, and goals; the recruitment and selection process; and the schedule. CPS HR is prepared to meet with key stakeholders to obtain input in developing the ideal candidate profile and to assist us in understanding key issues and challenges. Activities for this phase at each recruitment level will include:

- Complete recruitment brochure and create posting in client applicant tracking system or CPS HR's applicant tracking system (NEOGOV).

PHASE II – Marketing and Applicant Screening

The recruitment process is tailored to fit the Agency's specific wants and needs, with targeted advertising, combined with personal contacts with qualified individuals from our extensive database.

CPS HR will prepare, submit for your approval, and publish advertisements in appropriate magazines, journals, newsletters, job bulletins, and websites to attract candidates on a nationwide, regional, local, or targeted basis based on the recruitment strategy. CPS HR is focused on reaching a diverse candidate pool and would recommend publications/websites that are targeted to minority and female candidates.

CPS HR would execute the following tasks for this phase at each recruitment level including:

Executive Search

- Create an attractive and informative electronic flip book type of brochure to market the position.
- Conduct targeted research to identify ideal passive candidates.
- Execute active and passive sourcing of candidates through e-mail, phone, and social media.
- Devise advertising and marketing strategy.
- Develop innovative media campaigns.
- Review applicant resumes and ensure minimum qualifications are met.
- Conduct comprehensive preliminary phone screening interviews.
- Submit "Client Report" (including summary of recruitment activities and candidate applications and/or resumes) to include list of qualified candidates.
- Meet with the Agency to discuss the report and the results of the preliminary phone screening interviews in order for the Agency to identify candidates to invite to oral panel interview.
- Provide client with updates of recruitment status during application period.
- Respond to applicant inquiries and manage applicant communication.

Middle Management/Specialized

- Identify ad sources relevant to the position and coordinate the placement of agreed upon ads.
- Conduct active and passive sourcing of candidates through e-mail, phone, social media, and outreach tools/referral sources.
- Review all applicants against the minimum qualifications for the position within designated applicant tracking system ensuring appropriate disposition is captured.
- Develop and administer secondary rated screening or conduct preliminary phone screening interviews.
- Submit “Client Report” (including summary of recruitment activities and candidate applications and/or resumes) to include list of qualified candidates.
- Meet with the Agency to discuss the report and the results of the secondary rated screening or preliminary phone screening interviews in order for the Agency to identify candidates to invite to oral panel interview.
- Provide client with updates of recruitment status during application period.
- Respond to applicant inquiries and manage applicant communication.

PHASE III – Selection

CPS HR will design a selection process based on information gathered in Phase I. We will meet with the Agency to review this process and discuss the Agency’s preferred approach in assessing the final candidates.

We can coordinate all aspects of the selection process for the Agency. This includes preparing appropriate materials such as interview questions, evaluation manuals, and other assessment exercises; and facilitating the interviews.

CPS HR will be available to complete the following components of this phase at each recruitment level:

Executive Search

- Develop and facilitate all required selection processes including development of interview questions and/or assessments.
- Coordinate all candidate communication and scheduling.
- Train interview panel and handle onsite facilitation of interview process.
- Execute extensive background and reference checks.
- Provide assistance with contract negotiation.
- Facilitate appointment of selected candidate.
- Prepare a written report that summarizes the results of the recruitment process.

Middle Management/Specialized

- Develop interview questions including rating criteria and/or other requested selection tools.
- Develop and facilitate training of oral exam interview panel for the client's interview process.
- Coordinate all candidate communication and scheduling.
- Prepare interview evaluation materials.
- Facilitate oral panel exam interview and final hiring interview process.
- Conduct professional reference checks and/or background checks, upon request.
- Facilitate appointment of selected candidate upon request.

Outreach Services

Task 1 - Review and Finalize the Recruitment Process and Schedule

The first step in this engagement is a thorough review of the following with the Hiring Authority:

- Understand the Agency's needs, culture, and goals.
- Discuss recruitment outreach process efforts to date, so we complement rather than duplicate efforts.
- Develop a schedule aligned with the recruitment process.

This will ensure that the Agency's needs are met in the most complete manner possible.

Task 2 - Candidate Profile and Recruitment Strategy Development

This task will be accomplished during a discussion involving the relevant Agency stakeholders and CPS HR. It will result in the identification of the personal and professional attributes required for the position and will include the following activities:

- Development of a recruitment brochure, inclusive of photos that will highlight the unique benefits and favorable conditions that would attract a new incumbent. In this way, we can draw attention to the reasons why your position and region would be a great opportunity for a candidate.
- CPS HR will identify and provide the Agency with a list of suggested advertising sources which may not have been considered previously to reach the best candidates.

CPS HR is focused on reaching a diverse candidate pool and would recommend publications/websites that are targeted to minority and female candidates.

Task 3 - Targeted Outreach

CPS HR will prepare an email distribution list containing prospective candidates and referral sources gleaned from our database and new research in targeted regional areas as well as with other public sector organizations. This will include a regional and statewide search. These individuals will receive a link to the recruitment brochure, along with a personal invitation to contact CPS HR should they have any questions about the position.

*Proposal (Tab D - B. Proposed Scope of Services) to North Central Texas Council of Governments

Based upon CPS HR’s research and contact with prospective candidates, including the use of LinkedIn, CPS HR will also make personal phone calls to prospective applicants we identify as the most promising based on the candidate profile and requirements of the position.

Task 4 – Report

CPS HR will prepare a report summarizing all outreach activities. The report will contain a listing of all advertisements placed as well as all active and passive outreach efforts completed inclusive of how many candidates were targeted in each effort.
