### Pass Through Fee Disclaimer

Employers Choice Screening must access multiple county, state, and international record systems, DMV Motor Vehicle State databases, and other third-party verification record databases when completing each background check we provide. Many of these third-party and government databases charge a fee to access and retrieve these records from their systems, which are then passed on to our clients without markup. Rates are determined by the personal information we receive from each applicant at the time of order and then processed accordingly.

Employers Choice Screening does it's best to minimize such pass-through third-party fees when possible and provides our clients with alternative methods (please see employment verification options available) when possible. Third-party fees are subject to change without notice by the controlling bodies which house this information. However, live updates are provided through our main dashboard and we provide our clients with as much information available to us for full transparency on all fees charged, without markup.
