SECTION 1: OVERVIEW

The North Central Texas Council of Governments (“NCTCOG”) seeks an experienced firm or firms to provide Cyber Security Consulting Services. The purpose of this Request for Proposals (“RFP”) is to solicit responses that result in a contract with a qualified Vendor that is familiar with providing these capabilities.

1.0 NCTCOG OVERVIEW

The North Central Texas Council of Governments (hereafter NCTCOG) is a voluntary association of, by, and for local governments and was established to assist local governments in planning for common needs, cooperating for mutual benefit and coordinating for sound regional development.

NCTCOG serves a 16-county metropolitan region surrounding the cities of Dallas and Fort Worth. Currently the Council has 236 members, including 16 counties, 168 cities, 23 independent school districts, and 29 special districts. The area of the region is approximately 12,800 square miles, which is larger than nine states, and the population of the region is over 7.0 million, which is larger than 30 states.

NCTCOG's governing structure is as follows: each member government appoints a voting representative from their governing body. These voting representatives make up the General Assembly, which annually elects a 17-member Executive Board. The Board also includes one ex-officio non-voting member of the legislature. The Executive Board is supported by policy development, technical advisory, and study committees, as well as a professional staff.

1.1 PURPOSE

The desired deliverable of this RFP involves the submittal of proposals detailing how the proposer would deliver cyber security consulting services to the NCTCOG and to member communities of the SHARE Cooperative Purchasing Program.

Bid Item #1: The **primary intent** of this RFP (SHARE proposal) is to receive proposals for the selection of a vendor(s) to provide Cyber Security Consulting Services to be hosted on the SHARE Cooperative Purchasing Program. Under the SHARE program, any public entity or non-profit can use the SHARE contract and its selected vendor(s) and pricing to pursue their own projects. Vendors awarded a contract under the SHARE Program may offer their products and services nationwide if they desire to do so. This offers a unique advertising advantage to vendors to promote their services, as the vendor’s prices are competitively bid under a cooperative contract.

SECTION 2: SHARE COOPERATIVE

2.0 PROGRAM EXPLANATION

NCTCOG intends to make the contract resulting from this procurement available to other governmental entities through its SHARE cooperative purchasing program. Vendors realize substantial efficiencies through their ability to respond to a SHARE solicitation that will increase their sales opportunities and reduce the need to repeatedly respond to public agency Requests for Proposals. From these efficiencies, vendors pay an administrative fee to SHARE calculated as a percentage of sales processed through the SHARE contracts awarded and held by the vendor. This administrative fee is not an added cost to SHARE participants. This administrative fee covers the costs of contract marketing and facilitation and offsets expenses incurred by SHARE.

2.1 CONTRACT MANAGEMENT AND REPORTING

The Contractor will be required to track and report to SHARE on activities relating to the Master Contract. The Contractor will be required to provide management reports to NCTCOG on a quarterly basis with the submission of the administrative fee outlined herein. Examples of management reports include, but are not limited to:

- Participating Entity's name; pricing option chosen; total fee charged. NCTCOG and vendor will agree to form and content of reports after award of contract.

2.2 ADMINISTRATIVE FEE

NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to NCTCOG on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 2% of sales.

2.3 INTERLOCAL AGREEMENT

Other governmental entities may be extended the opportunity to purchase from contracts awarded by the NCTCOG, with the consent and agreement of the successful Vendor(s) and the NCTCOG. Such consent and agreement shall be conclusively inferred from lack of exception to this clause in Respondent's Response. However, all parties indicate their understanding and all parties hereby expressly agree that the NCTCOG is not an agent of, partner to or representative of those outside agencies or entities and that the NCTCOG is not obligated or liable for any action or debts that arise out of such independently negotiated interlocal or "piggyback" procurements.

SECTION 3: GENERAL INFORMATION
