

Cornerstone and CyberU Partnership

CyberU has an ambitious mission to educate the world and our partnership with Cornerstone brings us closer to realizing that mission every day. Delivering our courses through Cornerstone's Learning Experience Platform ensures that an extremely large audience of learners always has access to the content that matters to them.

Akanksha Garg | General Manager, CyberU

Cornerstone and CyberU have partnered to offer an ever-growing content catalog of in-demand, modern video courses created by industry experts that are seamlessly hosted on Cornerstone's LMS.

About the alliance

Through our partnership, Cornerstone and CyberU give companies the ability to empower their employees with high-quality and engaging training accessible anytime, anywhere.

Driven by the learnings of Cornerstone, CyberU offers a catalog of over 1,300 courses covering topics across business, leadership, health & wellness, technology, and beyond. CyberU's digital library is updated every quarter to ensure learners always receive the most modern and relevant content.

With CyberU you get:

- Courses provided by top industry experts
- Mobile-first learning
- Access to a growing catalog at a fixed price point
