Advertisement form.docx

Good afternoon, Jerri!

Here's a wild one – we're actually the ones putting out the latest advertisement. So I know the code for a change – it's 242221.

This one is a typical two-runner, DMN should be fine unless we know of a cheaper venue to go with. It's NCT 2019-146. Please let me know if I've forgotten anything, and have a great day!

REQUEST FOR PROPOSALS FOR PRELIMINARY ENGINEERING OF THE

Request for Proposals for Preliminary Engineering of the Bomber Spur Regional Veloweb Shared-Use Path

The North Central Texas Council of Governments (NCTCOG) is requesting written proposals from consultant firms for preliminary engineering of the Bomber Spur Regional Veloweb Shared-Use Path. The Project study area is within Fort Worth from the intersection of SH 183 and West Vickery Boulevard on the south and continues northward approximately 3 miles to its terminus near the intersection of SH 183 and Calmont Avenue. The shared-use path will link neighborhoods with multiple employment centers, schools, and regional destinations in Fort Worth. The scope of work to be performed by the Consultant shall consist of development of preliminary design to include a conceptual schematic, preliminary engineering and preliminary environmental analysis, and detailed preliminary estimates of construction costs for the shared-use path alignment. All project activities shall comply with all applicable federal, state and local regulations and design criteria.

Proposals must be received no later than 5:00 pm Central Standard Time, on Friday, November 1, 2019, to Kevin Kokes, Program Manager, North Central Texas Council of Governments, 616 Six Flags Drive, Arlington, Texas 76011. The Request for Proposals will be available at www.nctcog.org/rfp by the close of business on Friday, October 4, 2019.

NCTCOG encourages participation by disadvantaged business enterprises and does not discriminate on the basis of age, race, color, religion, sex, national origin, or disability.
