 (“Contractor” or “Provider”)**

ARTICLE I RETENTION OF THE CONTRACTOR

- 1.1 This Agreement defines the terms and conditions upon which the Contractor agrees to provide Goods or Services to governmental entities participating in the TXShare program (hereinafter “Participating Entities”). The Contractor is being retained to provide Goods or Services described below to Participating Entities based on the Contractor’s demonstrated competence and requisite qualifications to perform the Statement of Work (Appendix A) described herein and in the Request for Proposals #2025-116 (hereinafter, “RFP”). The Contractor demonstrated they have the resources, experience, and qualifications to provide the Goods or Services described, which is of interest to Participating Entities and was procured via the RFP. NCTCOG agrees to and hereby does retain the Contractor, as an independent contractor, and the Contractor agrees to provide Goods or Services to Participating Entities, in accordance with the terms and conditions provided in this Agreement and consistent with Contractor’s response to the RFP.

ARTICLE II SCOPE OF GOODS OR SERVICES

- 2.1 The Contractor will provide Goods or Services described in a written Purchase Order issued by NCTCOG or a TXShare Participating Entity. Any such Purchase Order is hereby incorporated by reference and made a part of this Agreement and shall be subject to the terms and conditions in this Agreement. In the event of a conflict between any term or provision in this Agreement and any term or provision in a Purchase Order, the term or provision in this Agreement shall control unless the conflicting term or provision in this Agreement is referenced, and expressly stated not to apply, in such Purchase Order.
- 2.2 All Goods or Services rendered under this Agreement will be performed by the Contractor:
- 2.2.1 with due care;

- 2.2.2 in accordance with generally prevailing industry standards;
 - 2.2.3 in accordance with Participating Entities' standard operating procedures and applicable policies, as may be amended from time to time; and
 - 2.2.4 in compliance with all applicable laws, government regulatory requirements, and any other written instructions, specifications, guidelines, or requirements provided by NCTCOG and/or Participating Entities.
- 2.3 Any agreed-upon changes to a Purchase Order shall be set forth in a subsequent Purchase Order amendment. Contractor will not implement any changes or any new Goods or Services until a Purchase Order has been duly executed by Participating Entity. For the avoidance of doubt, the Contractor acknowledges that Participating Entity is under no obligation to execute a Purchase Order. Participating Entity shall not be liable for any amounts not included in a Purchase Order in the absence of a fully executed amendment of Purchase Order.
- 2.4 The Contractor may expand its designated Goods or Services area(s) beyond those identified in Appendix A.2 at any time during the term of this Agreement. Such expansion shall not require a formal amendment or change order to this Agreement, provided that the Contractor notifies NCTCOG in writing of the updated Goods or Services area(s). NCTCOG reserves the right to publish or update Goods or Services area information for public awareness and contract administration purposes.
- 2.5 **Discounts for Items in Appendix A.1.** Discounts for items in Appendix A.1 represent the minimum discount for each item offered by the Contractor. Contractor and Participating Entity may mutually agree to a greater discount, thus lower cost, for any item covered under this agreement.
- 2.6 **NCTCOG Obligations.** NCTCOG shall make available a contract page on its TXShare.org website which will include contact information for the Contractor(s).
- 2.7 **Participating Entity Obligations.** Per Texas statute, to utilize the Goods or Services under this Agreement, the Participating Entity must have executed a Master Interlocal Agreement for TXShare with NCTCOG. This agreement with the Participating Entity will define the legal relationship between NCTCOG and the Participating Entity.
- At the Participating Entity's discretion, the Participating Entity may execute a Purchase Order and/or a supplemental agreement with the Contractor which will define the specific Goods or Services and costs that the Participating Entity desires to have implemented by the Contractor.
- 2.8 **Contractor Obligations.** Contractor must be able to deliver, perform, install, and/or implement Goods or Services with the requirements and intent of RFP #2025-0116.
- 2.8.1 If applicable, Contractor shall provide all necessary material, labor and management required to perform this work. The scope of Goods or Services shall include, but not be limited to, items listed in Appendix A.
 - 2.8.2 Contractor agrees to market and promote the use of the TXSHARE awarded contract whenever possible among its current and solicited customer base. Contractor shall agree to follow reporting requirements in report sales made under this Master Services Agreement in accordance with Section 4.2.

ARTICLE III TERM

- 3.1 This Agreement will commence on the Effective Date and remain in effect for an initial term ending on **November 30, 2027** (the "Term"), unless earlier terminated as provided herein. This Agreement may be automatically renewed, at NCTCOG's sole discretion, for up to three (3) additional years. The Contractor shall be notified in writing if this agreement is not renewed.

- 3.2 **Termination.** NCTCOG and/or Participating Entities may terminate this Agreement and/or any Purchase Order to which it is a signatory at any time, with or without cause, upon thirty (30) days' prior written notice to Contractor. Upon its receipt of notice of termination of this Agreement or Purchase Order, Contractor shall follow any instructions of NCTCOG or Participating Entity respecting work stoppage. Contractor shall cooperate with NCTCOG and/or Participating Entities to provide for an orderly conclusion of the delivery of Goods or providing of Services. Contractor shall use its best efforts to minimize the amount of any non-cancelable obligations and shall assign any contracts related thereto to NCTCOG or Participating Entity at its request. If NCTCOG or Participating Entity elects to continue any activities underlying a terminated Purchase Order after termination, Contractor shall cooperate with NCTCOG or Participating Entity to provide for an orderly transfer of Contractor's responsibilities with respect to such Purchase Order to NCTCOG or Participating Entity. Upon the effective date of any such termination, the Contractor shall submit a final invoice for payment in accordance with Article IV, and NCTCOG or Participating Entity shall pay such amounts as are due to Contractor through the effective date of termination. NCTCOG or Participating Entity shall only be liable for payment of Goods or Services rendered before the effective date of termination. If Agreement is terminated, certain reporting requirements identified in this Agreement shall survive termination of this Agreement.
- 3.2.1 Termination for Convenience: Either party may terminate the agreement for its convenience in whole or in part at any time without cause, upon 30 days written notice. Upon termination for convenience, the contractor will be entitled to payment for goods or Goods or Services satisfactorily performed or delivered.
- 3.2.2 Termination for Cause: Either party may immediately terminate this Agreement if the other party breaches its obligations specified within this Agreement, and, where capable of remedy, such breach has not been materially cured within thirty (30) days of the breaching party's receipt of written notice describing the breach in reasonable detail.
- 3.2.3 Termination for Breach: Upon any material breach of this Agreement by either party, the non-breaching party may terminate this Agreement upon twenty (20) days written notice to the breaching party. The notice shall become effective at the end of the twenty (20) day period unless the breaching party cures such breach within such period.

ARTICLE IV COMPENSATION

Costs incurred prior to execution of this Agreement are not eligible for reimbursement. Contractor expressly agrees that NCTCOG shall not be liable, financial or otherwise, for Goods or Services provided to Participating Entities.
- 4.2 **Reporting.** NCTCOG intends to make this Agreement available to other governmental entities through its TXShare cooperative purchasing program. ARTICLE V SERVICE FEE

- 5.1 **Explanation.** NCTCOG will make this Master Services Agreement available to other governmental entities, Participating Entities, and non-profit agencies in Texas and the rest of the United States through its TXShare cooperative purchasing program. The Contractor is able to market the Goods or Services under this Agreement to any Participating Entity with emphasis that competitive solicitation is not required when the Participating Entity purchases off of a cooperative purchasing program such as TXShare. However, each Participating Entity will make the decision that it feels is in compliance with its own purchasing requirements. The Contractor realizes substantial efficiencies through their ability to offer pricing through the TXShare Cooperative and that will increase the sales opportunities as well as reduce the need to repeatedly respond to Participating Entities' Requests for Proposals. From these efficiencies, Contractor will pay an administrative fee to TXSHARE calculated as a percentage of sales processed through the TXSHARE Master Services Agreement. This administrative fee is not an added cost to TXSHARE participants. This administrative fee covers the costs of solicitation of the contract, marketing and facilitation, as well as offsets expenses incurred by TXSHARE.
- 5.2 **Administrative Fee.** NCTCOG will utilize an administrative fee, in the form of a percent of cost that will apply to all contracts between awarded contractor and NCTCOG or participants resulting from this solicitation. The administrative fee will be remitted by the contractor to NCTCOG on a quarterly basis, along with required quarterly reporting. The remuneration fee for this program will be 2.5% on sales.
- 5.3 **Setup and Implementation.** NCTCOG will provide instruction and guidance as needed to the Contractor to assist in maximizing mutual benefits from marketing these Goods or Services through the TXSHARE purchasing program.

ARTICLE VI RELATIONSHIP BETWEEN THE PARTIES

- 6.1 **Contractual Relationship.** It is understood and agreed that the relationship described in this Agreement between the Parties is contractual in nature and is not to be construed to create a partnership or joint venture or agency relationship between the parties. Neither party shall have the right to act on behalf of the other except as expressly set forth in this Agreement. Contractor will be solely responsible for and will pay all taxes related to the receipt of payments hereunder and shall give reasonable proof and supporting documents, if reasonably requested, to verify the payment of such taxes. No Contractor personnel shall obtain the status of or otherwise be considered an employee of NCTCOG or Participating Entity by virtue of their activities under this Agreement.

ARTICLE VII REPRESENTATION AND WARRANTIES

- 7.1 **Representations and Warranties.** Contractor represents and warrants that:
- 7.1.1 As of the Effective Date of this Agreement, it is not a party to any oral or written contract or understanding with any third party that is inconsistent with this Agreement and/or would affect the Contractor's performance under this Agreement; or that will in any way limit or conflict with its ability to fulfill the terms of this Agreement. The Contractor further represents that it will not enter into any such agreement during the Term of this Agreement;
- 7.1.2 NCTCOG is prohibited from making any award or permitting any award at any tier to any party which is debarred or suspended or otherwise excluded from, or ineligible for, participation in federal assistance programs under Executive Order 12549, Debarment and Suspension. Contractor and its subcontractors shall include a statement of compliance with Federal and State Debarment and suspension regulations in all Third-party contracts.

- 7.1.3 Contractor shall notify NCTCOG if Contractor or any of the Contractor's sub-contractors becomes debarred or suspended during the performance of this Agreement. Debarment or suspension of the Contractor or any of Contractor's sub-contractors may result in immediate termination of this Agreement.
- 7.1.4 Contractor and its employees and sub-contractors have all necessary qualifications, licenses, permits, and/or registrations to provide the Goods or perform Services in accordance with the terms and conditions of this Agreement, and at all times during the Term, all such qualifications, licenses, permits, and/or registrations shall be current and in good standing.
- 7.1.5 Contractor shall, and shall cause its representatives to, comply with all municipal, state, and federal laws, rules, and regulations applicable to the performance of the Contractor's obligations under this Agreement.

ARTICLE VIII

This obligation supersedes any conflicting provisions of this Agreement.

The Contractor and its suppliers retain all right, title and interest, including all copyright and intellectual property rights, in and to, the software (as an independent work and as an underlying work serving as a basis for any improvements, modifications, derivative works, and applications NCTCOG may develop), and all copies thereof. All final documents, data, reports, information, or materials are and shall at all times be and remain, upon payment of Contractor's invoices therefore, the property of NCTCOG or Participating Entity and shall not be subject to any restriction or limitation on their future use by, or on behalf of, NCTCOG or Participating Entity, except otherwise provided herein. Subject to the foregoing exception, if at any time demand be made by NCTCOG or Participating Entity for any documentation related to this Agreement and/or applicable Purchase Orders for the NCTCOG and/or any Participating Entity, whether after termination of this Agreement or otherwise, the same shall be turned over to NCTCOG without delay, and in no event later than thirty (30) days after such demand is made.

Contractor shall have the right to retain copies of documentation, and other items for its archives. If for any reason the foregoing Agreement regarding the ownership of documentation is determined to be unenforceable, either in whole or in part, the Contractor hereby assigns and agrees to assign to NCTCOG all rights, title, and interest that the Contractor may have or at any time acquire in said documentation and other materials, provided that the Contractor has been paid the aforesaid.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

2 CFR Part 180 excludes entities and individuals that the federal government has either debarred or suspended from obtaining federal assistance funds through grants, cooperative Agreements, or third-party contracts. **NCTCOG** has elected to include the requirements of the 2 CFR Part 180 in all third-party contracts for federal funds. A certification process has been established as a means to ensure that debarred, suspended, or voluntarily excluded persons do not participate in a federally assisted project. The inability of a person to provide the required certification will not necessarily result in a denial of participation in a covered transaction. A person that is unable to provide a positive certification as set forth in the Circular may submit a complete explanation attached to the certification. **NCTCOG** will consider the certification and any accompanying explanation in determining whether or not to provide assistance for the project. **Failure to furnish a certification or any explanation may disqualify that person from participating in the project.**

Each potential third-party contractor, subcontractor under a third-party contract, subgrantee, or subrecipient must provide to the grantee or recipient of a cooperative Agreement, as appropriate, a certification for a lower-tier participant. In general, lower-level employees or procurements of less than **twenty-five thousand dollars (\$25,000)** will not be covered by the certification process procedures, except in the case of procurements with individuals that would have a critical influence on or substantive control over the project; nevertheless, a participant is not authorized to involve a lower-level employee or enter into a contract of less than **twenty-five thousand dollars (\$25,000)** with a person actually known by the participant to be debarred, suspended or voluntarily excluded.

NCTCOG requires each potential contractor subgrantee, or subrecipient for a third-party Contract to complete the certification for itself and its principals.

If an applicant for a grant or cooperative Agreement or a potential contractor for a third-party contract knowingly enters into a lower-tier covered transaction such as a third-party contract or subcontract under a major third-party contract or subgrant with a person that is suspended, debarred, ineligible, or voluntarily excluded from participation in the project, in addition to other remedies available to the Federal Government, **NCTCOG** may terminate the grant or subcontract, the underlying grant or cooperative Agreement for cause or default.

CERTIFICATION INFORMATION

This certification is to be used by contractors pursuant to 2 CFR Part 180 when any of the following occur:

- any transaction between the contractor and a person (other than a procurement contract for goods and services), regardless of type, under a primary covered transaction; and,
- any procurement contract for goods or services when the estimated cost is **twenty-five thousand dollars (\$25,000)** or more; and,
- any procurement contract for goods or services between the contractor and a person, regardless of the amount under which the person will have a critical influence on or substantive control over that covered transaction. Such persons include principal investigators and providers of federally required audit services.

A procurement transaction is the process of acquiring goods and services.

A nonprocurement transaction is the granting of financial assistance to entities to assist the grantor in meeting objectives that are mutually beneficial to the grantee and grantor.

**A COPY OF THIS CERTIFICATION IS TO BE FURNISHED TO AUTHORIZED FUNDING
AGENCY REPRESENTATIVES UPON REQUEST.**
